Subject: FW: Hi nitrate in Armenia Twp, Juneau County

Hi Cheryl,

My request has been sent. I see I mistakenly entered "Nekoosa" instead of "Armenia" as the town name. When you get the request, please make this adjustment. Thank you.

Request Information

Tracking Number :EPA-R6-2018-004514

Requester Name : Mr. Stanley Senger

Date Submitted : 02/16/2018

Request Status : Submitted

Description :

The Department of Agriculture, Trade and Consumer Protection respectfully requests the results of all laboratory testing for nitrate and/or pesticides of private drinking water wells collected by staff from EPA-Region 5, between the dates of August 1, 2017 to December 31, 2017 from homes and/or businesses located in the Towns of Nekoosa in Juneau County and/or Port Edwards in Wood County, Wisconsin. We request analytical results, sample collection dates, and address locations. If address locations are viewed as private information and redaction is required, then we request sample locations be otherwise identified in the form of an acceptable criteria like nearest quarter-quarter section, township, range, section number and county name, GPS coordinates, or other locational criteria. Our agency regulates contamination of groundwater with pesticides associated with point source spills and non-point labeled uses, as well as fertilizer contamination of groundwater associated with point source spills. This information will enable us to determine whether additional investigative actions are necessary in the area sampled by EPA, for the benefit of protecting the health and welfare of Wisconsin citizens who rely on drinking water in the area.

Hi Stan:

Could you request a map with the approximate locations of where EPA sampled private wells in October through a FOIA request; my management is not sure if it is releasable.

Sincerely,

Cheryl Burdett

Hi Cheryl,

When we spoke in January, you indicated you would be able to send me a map showing the test results of wells you sampled last fall near the Central Sands Dairy, B and B Farms, Domtar Industries properties in Armenia Township of Juneau County. Will you be able to do that still?

Stan
